Ordero habbeo

B/713

Ref.B3.32-33.

South Kanara Collector's Office,
Mangalore, 21st March 1933.

From

E. M. Gawne, Esquire, I.C.S.,

Collector of South Kanara.

The Secretary to the Board,

Land Revenue & Settlement,

M a d r a s.

Alienation - Land and Revenue - Resumption - Delegation
of powers.

p100. B.S.O.24

Under the note to B.S.O.24 (10)(4), only the Board of Revenue has been authorised to sanction the resumption of alienated lands in cases where the parties agree to the ----- resumption and no compensation has to be paid. There are several cases in this District where alienated land passes from the control of one board to that of another. For ----- instance in the case of High School sites and where land ----- alienated for one purpose is used for another under the same Board. In these cases, the resumption and realienation are purely formal and no question of the payment of compensation is involved. The obtaining of the Board's sanction in these unimportant matters seems unnecessary. I therefore request that the powers of the Board in such cases be delegated to Collectors.
